

Great achievements, strong team: Stavelse ready for the summer break

The first half of the year has come to an end. Together with our employees, we have once again successfully completed a wide range of projects for customers both at home and abroad. Every achievement is the result of craftsmanship, teamwork and a strong commitment to quality.

From engineering and production to installation, logistics and administration, every department contributes to the final result. Thanks to the dedication of our team, we continue to deliver sustainable solutions and ensure customer satisfaction.

As is tradition, we conclude the first half of the year with our annual team photo, a great opportunity to recognize the people behind Stavelse Metaalbouw.

We would like to wish all our employees, customers and partners a relaxing and safe summer break. Thank you for your trust and the pleasant cooperation. After the holidays, we look forward to working together on many new and exciting projects.

One team, one goal!
